

NAVAL/JROTC

NAVAL SCIENCE I 3496/18023000
Credit 1 9-12

The purpose of this introductory course is to provide the first year cadet with baseline knowledge of necessary information on military drill and ceremonies, uniform regulations, physical fitness, orienteering, principles of health, first aid, and survival. Additionally, time will be spent on the basics of citizenship, leadership and the benefits of learning, and how these can be used to achieve one's life goals. Specific instruction at this level includes: Basic Naval Orientation, Organization of the Navy, Naval Operations, Early Naval History, Leadership, Drug Abuse, Navigation, Seamanship, Drills, Commands and Ceremonies. Finally, this elective has a fitness component that offers students the opportunity to improve their overall physical well-being through a program of exercise and running.

PREREQUISITE: Students must have at least a 2.0 grade point average and no discipline issues.

NAVAL SCIENCE II 3497/18023100
NAVAL SCIENCE III 3498/18023200
Credit 1 10-12

Instruction at this level includes: Astronomy, Leadership, Relative motion, Deck Seamanship, Naval History-World War II, Meteorology, Principles of Radar, Principles of Fire Control, Drills, Commands and Ceremonies

SPECIAL NOTE: *Naval Science II and III are offered in alternate years.*

NAVAL SCIENCE II HONORS 3496/1802310H
NAVAL SCIENCE III HONORS 3459/1802320H
Credit 1 10-12

The Junior ROTC program's highly structured organization and chain-of-command is composed and operated by student cadet leaders. These cadet leaders are the focus of the honors program. The cadet leader is responsible for instruction of basic cadet skills, cadet classroom demeanor, critique of subordinate cadet performance, periodic subordinate formal inspections, maintenance of subordinate cadet administrative records, program logistical requirements, program public relations, and leading extracurricular activities. Honors' cadets receive additional instruction in extemporaneous speaking, techniques of effective listening, how to teach, and techniques of counseling.

SPECIAL NOTE: *Naval Science II and III are offered in alternate years.*
